Piotr Nowak

Frontend Developer · React & TypeScript

Gdańsk, Poland · +48 601 111 222 · piotr.nowak@email.com · github.com/pnowak

PROFILE

Frontend developer with 4 years of commercial experience building fast, accessible web applications for fintech and e-commerce clients. I enjoy turning complex requirements into simple user interfaces.

EXPERIENCE

Frontend Developer 05/2023 – present
FinTech Solutions, Gdańsk (remote team in the UK)

- Developed a customer dashboard in React and TypeScript used by 120,000 users.
- Reduced page load time by 45% by introducing code splitting.
- Mentored 2 junior developers and led code reviews.

Junior Frontend Developer 07/2021 – 04/2023
ShopLab, Gdynia

- Implemented new checkout pages, increasing conversion by 12%.
- Wrote unit tests in Jest, raising test coverage from 40% to 80%.

PROJECTS

Open-source React component library – 300+ stars on GitHub.

EDUCATION

BSc in Computer Science 2017 – 2021
Gdańsk University of Technology
